

The Vernon County Historical Society presents

# Stitching for Suffrage Challenge

In honor of the 100<sup>th</sup> anniversary of the women's suffrage amendment, and of Wisconsin's equal rights bill (first in the nation!), the Vernon County Museum is inviting you to join in a Stitching for Suffrage Challenge. During these cold winter months, snuggle up and crochet or knit something. The only requirement is that it incorporate typical suffrage colors: purple for loyalty, white for purity, gold/yellow for hope. You could create a shawl, mittens, scarf or even gloves. How about crocheted washcloths?

Drop off your item(s) at the museum by Friday, May 28, and put your name in to be eligible for a gift card from one of several local businesses. Your item(s) will become part of a display at the museum celebrating the history of Wisconsin women voting, scheduled for June 2021. You may donate your project to our silent auction, with proceeds going toward the general fund, or you may pick it up after the exhibit closes.
