Community Conversation

Join the VCHS for a Community Conversation to celebrate America's 250th anniversary. This free two-hour program, designed by PBS Wisconsin, will begin with a short clip from Ken Burns' documentary, *The American Revolution*. We will then break into guided, small-group discussions to talk about the concepts and ideas that have shaped America since its inception.

This program is a great opportunity to connect with others in the community, listen to their perspectives, and reflect on what it means to be an American 250 years after the country was founded.

Advance registration appreciated, but not required. Email or call to sign up.
